

T-Series Controllers, Sensors and Accessories look-up charts (most commonly used parts)

Traditional T-Series Fans	Section 1A Speed Controller Options (Not for use with Lo-Carbon T-Series Fans)		
	3 Speed Controller  TSC Controller	Multi-Unit Infinitely Variable Controller  Ecotronic Controller	Maximum No. of Fans (of the same size) to be used with the Ecotronic Controller
T-Series Size 6	W361119	W362320	4
T-Series Size 7	W361119	W362320	4
T-Series Size 9	W361119	W362320	4
T-Series Size 12	W361119	W362320	3

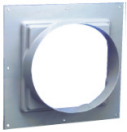

Lo-Carbon T-Series Fans	Section 1B Speed Controller Options (Not for use with Traditional T-Series Fans)			
	Wired Controller 	Wireless Controller 	*The wireless controller will control as many wireless fans as are in range	
	Max No. of Fans	Max No. of Fans	Max No. of Fans	Max No. of Fans
T-Series Size 9 Wired Fan	455873	4		
T-Series Size 9 Wireless Fan			455874	*
T-Series Size 12 Wired Fan	455873	4		
T-Series Size 12 Wireless Fan			455874	*

Section 2 Additional Sensors (These sensors may be used in conjunction with Traditional and Lo-Carbon T-Series Fans)										
										
Ecotronic Humidity Sensor	Ambient Response Humidity Sensor	HumidiSwitch	ThermoSwitch	TimeSwitch Controller	Timespan Controller	Air Quality Sensor (Not a Co2 Sensor)	Visionex PIR	Guardian PIR	7 Day TimeSwitch	
T-Series Size 6	563532A	563550A	563501D	563502B	W361310	563519	563506B	459623A	563548A	563515
T-Series Size 7	563532A	563550A	563501D	563502B	W361310	563519	563506B	459623A	563548A	563515
T-Series Size 9	563532A	563550A	563501D	563502B	W361310	563519	563506B	459623A	563548A	563515
T-Series Size 12	563532A	563550A	563501D	563502B	W361310	563519	563506B	459623A	563548A	563515

Section 3

Accessories for Traditional and Lo-Carbon T-Series Fan Ranges

(Some accessories have a "modular size" noted - This allows you to see compatibility with other accessories which they may be able to be used with, for example single spigots with appropriate eggcrate grilles, single/double deflection grilles for example - which are shown in the accessories section of the product selector)

T-Series Fan	Ducting/ Connection size for fan/accessories	 Direct Mount Spigot <small>(Mounts directly to internal side of fan - in place of internal grille)</small>	 Flexible Ducting 6m	 Plenum Box	 Wall/Window/ Ceiling Termination Set	 Roof Plate Assembly	 Roof Termination Set	 Single Spigot
Size 6	175mmØ	560501 - All types	566607 (175mmØ)	560602 <small>(modular size 250mm²)</small>	W560151	560136	560161	560637 <small>(modular size 300mm²)</small>
Size 7	225mmØ	560502 - All types	566609 (225mmØ)	560603 <small>(modular size 300mm²)</small>	W560152	560137	560162	560639 <small>(modular size 300mm²)</small>
Size 9	300mmØ	560503 WW/RF	566612 (300mmØ)	560604 <small>(modular size 300mm²)</small>	W560153	560139	560163	560642 <small>(modular size 300mm²)</small>
		560504 WL/PL						566142 <small>(modular size 450mm²)</small>
Size 12	400mmØ	560505 - All types	566616 (400mmØ)	560605 <small>(modular size 450mm²)</small>	W560154	560142	560164	566146 <small>(modular size 450mm²)</small>

T-Series Fan	Ducting/ Connection size for fan/accessories	 Louvred Grilles Grey	 Louvred Grilles White	 Louvred Grilles Brown	 Fixing Plate	 Mounting Box	 Worm Drive Clips	Extended Fixing Rods <small>(maximum wall thickness of 370mm)</small>
Size 6	175mmØ	W561431	561421	561411	561136 <small>(modular size 300mm²)</small>	560236 <small>(modular size 300mm²)</small>	561707	568104
Size 7	225mmØ	W561432	561422	561412	561137 <small>(modular size 300mm²)</small>	560236 <small>(modular size 300mm²)</small>	561710	568104
Size 9	300mmØ	W561433	561423	561413	561139 <small>(modular size 450mm²)</small>	560239 <small>(modular size 450mm²)</small>	561715	568104
Size 12	400mmØ	W561434	561424	561414	561142 <small>(modular size 450mm²)</small>	560239 <small>(modular size 450mm²)</small>	561720	568106
