

# Fire Stopping

Vent-Axia provides a complete range of fire stopping products specifically tested with ventilation ducting. This versatile selection allows for stacking and parallel installation in certain circumstances, along with creative solutions for partition walls and slab mounting. All Fire Sleeves provide 120 minutes Integrity & Insulation. Fire Rated diffusers are tested successfully to 60 minutes.

Please note: For installations above 18m for England / Wales and NI and 11m for Scotland, all external grilles/parts used within the system must comply with BSEN13501-1:2018.
